CONCEPT NOTE

The event shall highly add to the Research Skills and Confidence set of law students. The Competition is being undertaken, understanding the plight of various law students, due to the cancellation and postponements of various Moot Court Competitions at the current moment.

The Covid outbreak has created a havoc in the nation. It is not just our country, however the whole world has been under an unprecedented lockdown. During such times, all Educational institutions have been completely shut, owing to the current situation and the uncertainty still remains. Most of the National and International Moot Court Competitions that were supposed to be organized during this period, have been cancelled or postponed. In the wake of the prevailing trend of online classes and online examinations, we have set up the stage for the 1st National Online Moot Court Competition by The LAW Learners in collaboration with Ansal University, Gurugram.

The Moot proposition of this edition's Competition is particularly focused on the Indian Constitutional law. It revolves around a nation which witnessed numerous protests over a pending bill in the Parliament, which later became an Act. The aim is to bring out the best in each of the student and augment their research, writing and speaking skills.

On behalf of Ansal University and The LAW Learners, we welcome you all to participate in the 1st National Online Moot Court Competition 2020. We assure you that it would be an interesting journey, and each of you will gain from it.
